THIRD LANGUAGE PROGRAM

UPPER SCHOOL

A Third Language is not mandatory but it is highly recommended. Studying a third language will help stimulate students' minds, and it will enlarge their understanding of the world, helping them become better global citizens.

I. Basic expectations to join a third language:

a. Above average academic standards in all other subjects

b. Strong command of his/her second language

c. Commitment to complete the whole year

II. Schedule for third language (2017-2018)

a. Third language will meet three periods weekly. Students will get their schedule with the details of the class at the beginning of the school year.

b. Due to scheduling constraints, students enrolled in third language will have to complete two P.E. credits by either joining an athletic sport/team, or other alternative activities we offer after school such as: fitness, yoga, or martial arts. Please, contact the Head of the Upper School, Mr. Waugh (swaugh@awty.org) for more details on how to fulfill your son/daughter's P.E. credits.

III. Available options for third language

a. The most popular options are our main languages, French and Spanish, as well as Arabic and Chinese in the World Language Department. All four options are usually covered as part of regular tuition, provided that there is an enrollment higher than 4 students.

b. Within our World Language Department we also offer: German, Farsi, Italian, Japanese, Norwegian, Polish, and Russian. Most of these classes are self-funded.

c. If a class is under-enrolled (fewer than 4 students) the School reserves the right to cancel it or to make it self-funded.
