

Library News...

Online Research From Home or From Campus! The Awty Libraries subscribe to over 25 online research databases for students of all ages to use from any computer on campus -- and even from computers at home. The databases include Britannica Online, Enciclopedia Universal en Español, Facts on File, CIAO, and Galenet (which includes "**Kids InfoBits,**" perfect for primary school students). You can read more about these databases on the school's website, under Academics. Database web addresses and passwords can be obtained in the Sarofim Library or the Primary School Library.

Daniel Stern Donation Mrs. Gloria Stern recently donated the book collection of her husband, Professor Daniel Stern, to Awty. Mr. Stern was a Cullen Distinguished Professor of English and Creative Writing at the University of Houston. The donation is a wonderful collection of books emphasizing literature, poetry, and psychology. There is always something special about a book that has been used and perused by a wonderful writer or thinker.

Middle School Book Club The first Middle School Book Club of the school year was a big success! More than 20 students gathered together to share lunch, books, and friendship. Many wonderful book recommendations were made including *The Warrior Heir* by Cinda Williams Chima and *Les Colombes du Roi-Soleil* by Anne-Marie Desplat-Duc. The next meeting will be held during the Middle School lunch on October 15. For a list of all of the meeting dates for the 2007-2008 school year, please check the school's website. Library information can be found under "Academics".

Hooray for Library Volunteers! The librarians want to thank all of the volunteers who came to the Library Volunteer Meeting in September. Volunteers are vital to the success of the Awty library programs. If you were unable to attend the meeting but would still like to help in the libraries, please contact Lucas Anderson at ext. 5831 or parent volunteer Shirley Allen who helps coordinate the Library Volunteers.
