

International Festival 2008 April 17-18, 2008

Sky Iroquois Dancers

Donations Needed - A group of Native Americans (Iroquois Tribe) will be traveling to Houston to perform and visit us at the International Festival. Two years ago they visited and we were all impressed and delighted by their performance. The children, parents and visitors enjoyed their dance and culture so much that we have asked them to return and perform for us at this year's festival. A group of twenty (20) family members make the voyage from Canada to Houston. Your help is needed in any way you would like to contribute. Attached is a list of items they could use while visiting our school for the Festival. Please drop off an item or a few items if you would like to help – nothing is too small or too big. I hope you can view the Sky Iroquois Dancers perform because it is truly a cultural experience. All donations can be dropped off at Chantal Duke's office (next to Dr. Watson's office). Below is a list of items that are needed. If you have any questions or need more information, please contact [Marbella Shrader](#), International Festival Chair.
