

The Awty International School
Houston

The graduating Class of 2007 reaches 100% success on the French Bac...

All 12 students in the French Bilingual Section passed the 2007 French Bac. Four students successfully obtained the Bac with a Honor award and five students with a Distinguished award. The Proviseur is very proud of his students and their teachers.

The Awty International School is proud of the six consecutive years of 100% success.

“Such results are not the fruit borne of chance and happenstance,” commented Mr. Jean Stephan, Proviseur. “They are the result of our students’ and teachers’ hard work. We have successfully put together a pedagogical team that leads the students in its charge to success.”

Congratulations to all!

Bac Results 2001-2007
