

January 24, 2008

Dear Parents,

**IMPORTANT CAR POOL NOTICE.**

Please note that the gate to the students' car park on Awty School Lane will be closed to entering traffic between 3:20 p.m. and 4:00 p.m. every week day starting from Monday, January 28, 2008.

This is due to the safety hazard, caused by the number of parents who are currently using the students' car park as a second car pool. This presents very serious dangers to our many students who are attempting to leave the campus on foot or by car at afternoon car pool. It also impedes the ingress of visiting sports teams' buses.

Our primary concern is for the safety of all students at Awty. Therefore, Middle School and Upper School parents, please help us by not using the students' car park to either park, pick up or drop off your children, unless you do so after 4:00 p.m. each day.

Thank you for your understanding and cooperation.

Kind regards,

Dr David Watson  
Head of School
