

The Awty International School
Houston

INTERNATIONAL PROGRAM BOOK ORDER INFORMATION

Dear Parents,

Please refer to the following information before submitting your order:

New or pre-owned - You have the option of choosing new or pre-owned textbooks. Pre-owned books cost 25% less than new books and are allocated on a first-come, first-served basis. If they are not available, you will automatically receive new books.

Book changes - If a book has been substituted or gone out of print, we will provide you with the correct book; there is no need to contact us.

Editions - Teachers require the entire class to use the same editions of books. If you have some of the listed books from a previous year, please verify the ISBN numbers.

Digital courseware – Most online material comes in the form of a license, which the school acquires from the publisher. In order for students to access assignments and to collaborate with their teachers, this digital material must be purchased from the School Store.

Out of stock - We recommend you order all the required books at the same time to avoid out of stock issues.

Language books - Due to the multiple levels of 2nd and 3rd language classes in grades 6-10, books for these courses will not be available until after the start of school.

Purchasing elsewhere - The School Store has no control over changes in book titles or editions. If you do not purchase your books from the Store and changes occur, you will be responsible for acquiring the correct books.

Delivery option (recommended) – We can deliver your book order to a business or residential address in Houston or the outlying areas such as Sugar Land, Katy, Clear Lake and The Woodlands. One form per student is required and the deadline for submitting the form is July 30.

Delivery dates – Deliveries are expected to commence the first week of August.

Pick-up dates – August 14, 15 and 16 between 8.30a.m. and 3.30 p.m. (car drive-through).

Payment – Orders will automatically be charged to the student's school account and invoiced by the Business Office in August.

For further information, please contact schoolstore@awty.org
