

# UNIFORMS

The purpose of the uniform is twofold: the first purpose of the uniform code is to instill in students a proper sense of formal grooming and presentation. Secondly, since Awty students come from many cultures and all walks of life, the uniform serves to equalize socioeconomic status and cultural backgrounds.

The Awty International School uniforms are to be purchased at [Dennis Uniforms](#). If a student comes to school without the proper uniform, parents may be called to deliver the appropriate attire.
