

DATE: 2020-2021 School Year
TO: Welcome, New Awty Parents!
FROM: Terri de Leon, Business Office
RE: Online Resources for Parents – My Backpack and Parent Portal

As part of Awty's "go green" initiative, the school's primary forms of communication are all electronic. We ask all parents, staff, faculty, and students to take the time to become familiar with the website at www.awty.org. Below is information on the two online platforms to which you will have access as a parent.

The PARENT PORTAL, which is accessible via the Awty website, will be your source for updated school announcements. MY BACKPACK is your online school account where you will find information on both your child's academic records and your financial account with the school. This is where you will find your monthly invoices, re-enrollment contracts, and other documents. A weekly electronic newsletter, Awty Notes, and a monthly email, Awty Invoices, are also sent to all families.

Each parent is assigned an individual user name and password to access both MY BACKPACK and the PARENT PORTAL. You will have the ability to update and/or change your user name and password. You **currently have access to MY BACKPACK** with the username and password you used to enroll your child or received from the Business Office. The **PARENT PORTAL** log in will be made **available to you in mid-July**.

Please make sure to review and update your home, work and emergency contact information in MY BACKPACK so the school has the most up-to-date information. If you are moving to the Houston area and do not yet have a local address, please contact the Business Office with your new contact details as soon as you have secured housing.

On behalf of The Awty International School, we are proud to have your family with us for the 2020-2021 school year!

AWTY WEBSITE – PARENT PORTAL

Parents have their own portal where they can obtain the latest information including calendars, events, directories, and more. This is a special part of the website designed specifically for our parents. It is private, and can only be accessed by using a specific user name and password. **This option will be available to you in mid-July.** Click on MY AWTY to get started.

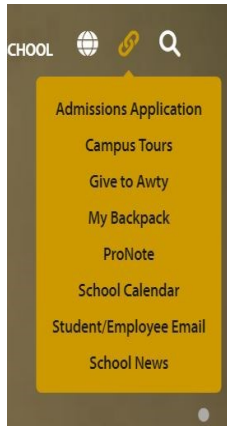

The "[Parent Portal](#)" is where you will go to:

- Read the latest Awty News
- Access important forms and documents
- See the latest communications from the Board of Trustees
- Find your room parents
- Sign up for volunteer opportunities
- View our new interactive calendar
- View online staff/faculty email directory and an online parent directory

All parents should visit the parent portal of the website on a regular basis. Information will be updated daily and this will be the school's primary source of communication to you as an Awty parent.

MY BACKPACK ACCESS

Step 1: Go to the Awty website: www.awty.org.

Step 2: Click on the Quicklinks icon (located top right of web page) and choose **My Backpack**

Step 3: When the login screen appears, type in your username and password information. Usernames and passwords are not case-sensitive.

Sign In

Please enter your user name and password below to sign in.
